my grandson just taught me how to be a kid again.

Prescribe it to protect him from sudden cardiac arrest. He will wear it for so many other reasons.

- Patients feel more confident returning to their normal daily activities when wearing the LifeVest
- LifeVest patients don’t worry as much because they know the LifeVest is protecting them

Cystic tumour of the atrioventricular node. See figure legend on page 1334.
Aims and Scope

EP — Europace — the European Journal of Pacing, Arrhythmias and Cardiac Electrophysiology of the European Heart Rhythm Association and the European Society of Cardiology. The journal aims to provide an avenue of communication of top quality European and international original scientific work and reviews in the fields of Arrhythmias, Pacing and Cellular Electrophysiology. The journal offers the reader a collection of contemporary original peer-reviewed papers, invited papers and editorial comments together with book reviews and correspondence. The journal is affiliated with the Working Groups on e-Cardiology and Cardiac Cellular Electrophysiology of the European Society of Cardiology.
